Wondering what "Table Setting" is all about?...

There are two ways to join in on the fun!

Buy a ticket: You will enjoy lunch and dessert with 7 other women at a beautifully decorated table. During the event you'll be able to walk around and admire all the other uniquely themed tables. It's such a fun experience to appreciate the creativity that hostesses put into their tables, plus you get to take home design inspiration for entertaining your own guests!

Host a table: Bring your own fun or fancy set of dishes to display! To set a table for us, you'll need 8 place settings (we won't eat on the dishes) and a decorative theme of your choice! You can invite your friends and family to sit at your table and we'll fill any empty seats with charming guests!

Please come enjoy a fun afternoon of great fellowship and fabulous food at the YWCA!
