The Teen Outreach Students made puzzles for the cancer patients at Mary Lanning. The students wanted the patients to have something to do while receiving or waiting for treatment!

ZONE-Something new!

For the last couple of months, the Zone has been in contact with Ozu, Japan. While we have been talking to them through "Exchange Letters," they wanted to know more about our culture and Hastings, and our students wanted to know more about Ozu, Japan. Right now, at the Zone, we have an 8th grader learning Japanese and Mandarin. She plans to apply for the exchange program in a couple of years and hopefully spend time in Japan or China. These Exchange Letters have been an enjoyable experience for each student involved, and we hope to continue this next year!
