# YW GIRLS-EMPOWERED GIRLS EMPOWER GIRLS

We are here to empower girls to become the best young women they can be! We focus on kindness, self care, and inner confidence for girls K- 5th grade.

**Monday May 2nd** (Last class until Fall) **3:30-5:00pm**,  
\$5 a session, sign up a week in advance

In March for YW girls we had a lesson on self love. We made mirrors and wrote complimenting words about themselves on the mirrors. We practiced looking in the mirrors and saying positive words with confidence! The mirrors said "What matters most is how you see yourself!"

For April's YW girls we talked about spreading seeds of kindness. How little acts of kindness can grow. We then painted flower pots and planted seeds in them to watch them grow!  
We will start YW girls back up in the fall if you have a girl wanting to join.

## Teen Outreach Program

The Teen Outreach Program has been working on a Body Positivity Campaign. They made posters to hang around the Zone and the Middle School. They also have been making bracelets with positive sayings to hand out. This is all to promote Body Positivity and loving yourself no matter what. The girls that have been working on this project are very passionate about the message and are happy to be working hard to help their peers!
